**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

If you allow AT & T to successfully lobby you to limit broadband competition, it will be another knife in the throat of American Democracy and free capitalism.
If not for broadband competition, I would still be stuck with dial up connection and left behind by advancing technology.

No new Mac for me. No shopping on Amazon.

Kill this bill or kill American consumerism.
